Employment Opportunity Regional Safety Coordinator

If safety is your passion and you want take your career to the next level, MEUW is where you need to be! We are currently seeking a highly motivated, ambitious and outgoing individual to serve as a Regional Safety Coordinator for one geographic region of Wisconsin. The qualified employee will be part of a larger safety team serving public sector employers throughout the state.

Duties and Responsibilities

- As a regional safety coordinator, you will be serving the occupational safety and health program needs for members of our Regional Safety Management Program comprised of municipal utilities, cities, villages, and or/counties.
- Daily travel is required to each community to provide on-site training, audits, inspections, JSA's, hazard assessments, and completing required documentation.
- Assist in facilitating proactive safety committees, conduct root cause analysis, and incident investigations.
- Assist with the implementation, and/or management of a Return to Work program, and assist as needed as the liaison for insurance and state safety inspections.

Qualifications

- Minimum of 3 years of experience with direct responsibility for workplace safety
- Expansive knowledge of OSHA 1910 and 1926 standards, along with additional requirements set forth by the WI Department of Safety and Professional Service
- Experience developing and implementing safety programs
- Valid driver's license
- Proficient in MS Office
- Excellent communication and advisory skills
- BS degree in Occupational Health and Safety, or equivalent is preferred.

Additional qualifications and experience that have made for successful Regional Safety Coordinators include:

- Experience working in local/county government
- Experience working in construction or other field service in an outdoor setting
- Public speaking experience

- Experience as a trainer
- Fire/EMS/Law Enforcement/Military Experience

MEUW places significant value in the services provided by our regional safety coordinators, and seeks to provide extremely attractive compensation packages for our employees which include:

- Competitive salary
- Health insurance
- Flexible Spending Account for healthcare
- 410k including employer contributions
- Expense account
- Monthly paid mileage at the IRS standard mileage rate
- Continuing education and professional development allowance
- Paid ADD/Life Insurance Policy
- Paid vacation, holiday, and sick days.

Please email a resume and cover letter (optional) to MEUW at Melissa.barnes@marshfieldutilities.org. This position will remain open until filled.
