

Journeyman or Apprentice Lineworker

Cedarburg Light & Water is a community-owned utility that has proudly served Cedarburg for more than 125 years. We take pride in serving our hometown and are looking for a dedicated individual to join our team and help us continue providing safe, reliable service to our community.

We are currently seeking a **Journeyman Lineworker** or an **Apprentice Lineworker** with a minimum of two years of experience for a full-time position.

The ideal candidate will have:

- General knowledge of overhead and underground electric distribution systems and their components
- A strong understanding of and commitment to safe work practices
- Ability to perform strenuous physical labor and heavy manual tasks, including climbing and working outdoors in all weather conditions
- High school diploma or equivalent and a valid driver's license
- Class A Commercial Driver's License (CDL) or the ability to obtain one within six months of hire
- Ability to operate equipment such as a backhoe, forklift, and backlot machine
- Ability to reside within a 30-minute response time of the utility office within 12 months of hire
- Willingness to work overtime and participate in stand-by duty

Cedarburg Light & Water offers competitive wages and a comprehensive benefits package. The Journeyman Lineworker wage is \$57.31 per hour. Apprentice Lineworkers can expect to earn between \$45.85–\$57.31 per hour, depending on experience and qualifications.

If you're looking for an opportunity to put your skills to work as part of a knowledgeable, community-focused utility team, we'd love to hear from you.
