

LIVE Lines

Official monthly publication of **Municipal Electric Utilities of Wisconsin, Inc.**, the statewide trade association representing the interests of Wisconsin's public power providers since 1928.

This e-newsletter is distributed to more than 1,200 utility professionals and leaders throughout Wisconsin and the Midwest on the first Tuesday of every month.

Live Lines has been published continuously for many decades and provides useful information, news on emerging utility issues and legislation, updates on events, training programs and member services, as well as engaging feature stories spotlighting utilities, communities and leaders.

We've got a milestone birthday coming up ...

In just a few short months, MEUW plans to mark the 95th anniversary of its founding — on Oct. 18, 1928. The founders of what was originally the Wisconsin Municipal Utilities Association knew they needed to “present a stronger and more unified approach.” We are planning to celebrate their wisdom and 95 years advocating for municipal utilities with a special event in Madison.

We need your help to decide the best look for a special logomark to signal the celebrations we have planned. Shown below are five options we've considered. We're asking members to vote for their favorite. The logomark will be displayed on MEUW's website, promotional materials, and on various printed items we are producing in the coming months. Those who take time to vote will be entered into a random drawing to win an Amazon gift card or MEUW promotional items.

To place your vote, follow this [link](#) (or point your smartphone camera at the QR code above). We'll announce the chosen design in next month's *LIVE LINES*. •
