

PROUDLY PUBLIC POWER Coloring Contest

Presented by Municipal Electric Utilities of Wisconsin

In support of our ongoing efforts to increase awareness of Public Power Utilities across Wisconsin, and in conjunction with Public Power Week and MEUW's upcoming 95th Anniversary Celebration, MEUW is presenting a "Proudly Public Power Coloring Contest." This contest is available to customers of any of our member utilities who wish to participate.

If you wish to make this opportunity available to your customers, we suggest that you do the following:

- Share this opportunity and contest guidelines on your website, via social media, through customer newsletters or email, or through your local news outlets.
- Place a marked collection basket or box in your utility's lobby area to collect local submissions **until noon on Friday, Oct. 6**
- Send collected submissions to MEUW in one of two ways:
 - Scan and email to office@meuw.org
 - Mail directly to MEUW Coloring Contest, 725 Lois Drive, Sun Prairie, 53590. Make sure that the envelope is post marked by Oct. 6.

Please note: *If your utility regularly hosts your own coloring contest, please feel free to use and submit those entries. We will include all submissions collected and/or post marked by Friday, Oct. 6 in the Grand Prize drawing for the contest.*

Winners will be chosen at random from entries received by the contest deadline, and will be announce on Wednesday, October 18th, in conjunction with the statewide celebration of public power marking the 95th anniversary of MEUW's founding.

Please contact Sharon Wolf with any questions at swolf@meuw.org.
