

TO: Cooperative Managers

FROM: Steve Ziegeweid
Director of Health, Safety & Security and Facilities

DATE: February 18, 2022

SUBJECT: Key Person Workshop

Enclosed is an updated agenda and registration form for the Key Person Workshop to be held March 9 & 10, 2022 at Metropolis Resort in Eau Claire, WI.

The workshop topics include: the electrical transformation of transportation, how respectfully resolve conflicts in the workplace, drug abuse trends and recognizing suspicious behavior, and a personal account of an electric contact victim.

This workshop will benefit those who are or will be in a coaching, mentoring or influential position (superintendents, forepersons, journeymen, or other lead person).

The registration fee is \$175 per attendee which includes the luncheon, breaks, and workshop expenses. The workshop registration deadline is Thursday, February 24th.

The deadline for reserving a room under the Dairyland Power Key Person room block at the Metropolis has passed. However, they *may* still honor the rate of \$99 + tax. Please make your own room reservation by calling the Metropolis Resort at 1-844-855-2724.

Due to the significant drop in Covid cases in Wisconsin, wearing a facemask will not be required. If you prefer to wear a mask, they will be made available. We will accommodate social distancing as available.

If you should have any questions pertaining to this program, please feel free to contact me at 608-787-1452 (office) or 608-797-0246 (cell).

SZ:khs

Enclosures

Purpose:

This workshop will cover the following:

- Electric Transformation of Transportation
- “Believe in Safety” Arc Flash Accident Account
- Communications Under Fire
- Drug Trends & Suspicious Behavior

The intent of “Key Person” workshop is to promote, mentor, and inspire quality leadership within your organization.

Coordinator:

Matt White
Manager, Safety (Distribution Cooperatives)
Dairyland Power Cooperative

Sponsored by:

WECA/Dairyland Power Cooperative

Instructors:

Brandon Schroeder

Brandon worked as an electrician for over twenty years before he survived an arc flash explosion in 2011 that changed his life and his career path. He currently travels the country sharing his story and his message to “Believe in Safety.” Brandon is from Marion, Iowa.

Aaron Ranallo

Aaron is an Investigator with the Eau Claire County Sheriff’s Office Drug Task Force. Aaron investigates drug trafficking and manufacturing in the Chippewa Valley.

Judith Anibas

After Judith earned her Bachelor’s degree in Criminal Justice from UW-Platteville she landed a career as a police officer for the City of Eau Claire for 25 years. After working on patrol, detective, and in community services, she ended as a sergeant leading a plain clothes division. Judith then became the Dean on the West Campus of CVTC for 10 years. She oversaw the Emergency Services and Transportation Education, which included the line worker Electrical Power Distribution program.

Jeff Springer

Jeff is a Certified Energy Manager with over 32 years of experience in the commercial and industrial energy sector. His responsibilities include power quality, energy auditing, and recent work on Dairyland’s transportation electrification efforts.

Martin Day

Martin Day has over 25 years of experience in the utility industry and currently serves as the Administrator for the Division of Energy Regulation and Analysis at the Public

Service Commission of Wisconsin. Martin previously worked for Madison Gas and Electric Company. He holds a Bachelor of Science from the University of Wisconsin-Madison.

Steve Ziegeweid

Steve has served as the Director of Health, Safety & Security at Dairyland Power Cooperative since 2019. He is a Certified Safety Professional (CSP) with over 25 years of experience in Safety. Steve earned a Bachelor of Science from the University of Wisconsin-Whitewater in Occupational Health and Safety in 1996.

Due to the significant drop in Covid cases in Wisconsin, wearing a facemask will not be required. If you prefer to wear a mask, they will be made available. We will accommodate social distancing as available.
