

The first full week of October is designated as Public Power Week and is an opportunity to celebrate the uniqueness of community owned electric utilities.

Public Power Word Search

In recognition of the cities and villages in Wisconsin that own and operate their own electric utility, **MEUW is holding a prize drawing for anyone who correctly finds the names of all 81** of our public power communities (listed below).

Names can go in any direction (forward, backward, and diagonally) and they may share letters as they cross over each other. All 81 are hidden in the puzzle.
