

We're looking for our next **COVER PHOTO**

We're producing an updated Membership Directory in 2026, and we're looking for an ideal photo to display on the cover.

The photo on the cover of MEUW's current Membership Directory (from 2014) was submitted by Arcadia Electric Utility. Line Foreman Sam Sobotta snapped the photo with his smartphone during a mutual aid event supporting the neighboring electric cooperative. It's a great picture capturing the safe work and the people and equipment that keep public power communities strong. Sam's shot was a perfect choice to showcase!

Maybe you or someone you know has a similar photo taken in recent years. If so, we'd love to consider it for the cover of MEUW's newly updated directory.

The most ideal cover photo is one that:

- Was taken with a "portrait" orientation in Wisconsin
- Features relevant utility equipment and power lines
- Displays vibrant colors
- Is available in a high-resolution format
- Doesn't show any faces up close
- Was taken by you or someone who could authorize MEUW to use it for publication

Submit your photo no later than March 1 via email to Office@MEUW.org

Be sure to include relevant details about what's happening in the photo and who gets credit for taking it. If your photo is chosen, you'll receive recognition from MEUW.
