

Advertising Prospectus

Municipal Electric Utilities of Wisconsin, the statewide trade association representing the interests of Wisconsin's public power providers, publishes and distributes a monthly e-newsletter to more than 500 utility professionals and leaders throughout Wisconsin and the Midwest. MEUW's *Live Lines* has been published continuously for nearly 70 years and provides useful information, news on emerging utility issues and legislation, updates on events, training programs and member services, as well as engaging feature stories spotlighting utilities, communities and leaders. *Live Lines* is widely read and a key resource for municipal leaders and public power employees across the state.

Live Lines features two sizes of advertisements — rectangle or “banner” size.

Rectangle ads are “business-card-size” and are available for placement on feature pages or on the last page, which is an ad-only page. Information about rates and sizes are below. Advertisers may change their ad each month, though we offer a “preferred” plan rate (~10% discount) to those who run the same ad for 12 consecutive months.

Effective 1/1/2020 to 12/31/2020		Ad Dimensions	(Option 1)	(Option 2)	(Option 3)
Size / Placement	12 consecutive months		6 consecutive months	“Preferred” Plan*	
A	Banner / Feature Page	7.5" W x 1.25" H	\$1,075	\$575	\$965

C	Rectangle / Ad-only (Final) Page	3.25" W x 2" H	\$775	\$425	\$695

Space must be reserved and advertisements are due by the 15th of the month prior to publication. *Live Lines* is typically distributed on the first Tuesday of each month. Placement includes a link to advertisers' web page.
