

Advertising Prospectus

Municipal Electric Utilities of Wisconsin, the statewide trade association representing the interests of public power providers in the Badger State, publishes and distributes a monthly e-newsletter to more than 1,000 utility professionals throughout Wisconsin and the Midwest.

MEUW's *Live Lines* has been published continuously for more than 70 years and provides useful information, news on emerging utility issues and legislation, updates on events, training programs, and member services, as well as engaging feature stories spotlighting utilities, communities and leaders. *Live Lines* is widely read and a key resource for municipal leaders and public power employees across the state.

Live Lines features two sizes of advertisements — rectangle or “banner” size.

Rectangle ads are “business-card-size” and “banner” ads run the width of the newsletter page. Ads appear throughout the publication. Advertisers may choose to run the same ad for six or 12 consecutive months (\$50 upcharge to change the ad outside of the then-current term). An option for a one-time placement is available.

Rates shown are effective 1/1/2023

	Size / Placement	Ad Dimensions	(Option 1) 12 consecutive months	(Option 2) 6 consecutive months	(Option 3) One-time placement
