

SPONSORSHIP OPPORTUNITIES

You're invited to sponsor a tradition 91 years in the making! Bringing together municipal utility leaders to swap ideas and strengthen public power in Wisconsin, MEUW's Annual Conference attracts more than 125 attendees for informative speakers, timely training topics and networking.

As a sponsor, you'll demonstrate your organization's support of public power. Sponsorship offers a cost-effective method to build awareness among electric-utility professionals, including governing board members, superintendents, general managers and directors.
