

SPONSORSHIP OPPORTUNITIES

You're invited to sponsor a tradition 94 years in the making!

Bringing together municipal utility leaders to swap ideas and strengthen public power in Wisconsin, MEUW's Annual Conference typically draws some 125 attendees for informative speakers, timely training topics, and networking. Set in picturesque Marshfield, home to one of the state's larger municipal utilities, this year's event is expected to draw attendees from all across Wisconsin — from municipal utilities large and small.

As a sponsor, your company will show its support of public power in Wisconsin.

Sponsorships offer a cost-effective means to build awareness among electric-utility professionals, including governing board members, general managers, directors, and electric superintendents.

	Conference Webpage	On-site signage at Conference	Electronic "Welcome" screens at Conference	Verbal recognition at Conference kickoff	Conference Attendee Guide (Event Program)	Opportunity to provide giveaways to conference attendees	Additional recognition
