

**VILLAGE OF ARGYLE**  
**ELECTRIC UTILITY SUPERINTENDENT / LINEMAN**

The Village of Argyle is accepting resumes for a full-time position that will require some nights, weekends and holidays as Superintendent for the Electric Department.

This is a skilled technical position involving all aspects of the operation, maintenance, and construction of an electrical distribution system, and operation and maintenance of a diesel generation plant.

The work involves inherent hazards including working with energized circuits up to 5kV, working out of aerial devices, strenuous lifting and pulling, proximity to power-operated equipment, 69kV transmission switching, all of which might have to be performed under adverse conditions. It further requires the ability to work under unsafe and uncomfortable conditions where exposure to environmental factors such as temperature variations, noises, vibrations, wetness, machinery, electrical currents, vehicular traffic, dust, and where there is risk of serious injury.

Other responsibilities include assisting the Street Department with winter snow removal, and other departments when needed for larger projects. Meeting with customers and dealing with problems and complaints in a knowledgeable and courteous manner.

Candidates must have the ability to communicate and establish and maintain effective working relationships with the public, utility team members, and other village employees. They must also be able to take direction, facilitate communication, resolve problems, and work individually or as part of a team.

Benefit package includes health insurance, life insurance, short term disability, enrolment into the state retirement plan, 10 paid holidays/year, paid vacation, paid sick days, and 3 personal days/year. Other benefit information will be available upon interview including salary based on experience. Residency may be required so that response times for outages are at a minimum. Training for the position will start by October 15th, 2021. Safe driving record and a valid CDL license with airbrake certification is required. Working knowledge of Microsoft Outlook, Word and Excel is desired. There will be a six-month probation period. You must be willing to submit to physical, medical and drug testing. Please submit cover letter and resume with references to:

Village of Argyle  
Electric Utility Superintendent / Lineman
