

Municipal Electric Utilities of Wisconsin
presents

LINEMAN UNIVERSITY

February 24-25, 2022
Mauston, Wisconsin

“Lineman U” is valuable for electric lineworkers of all experience levels. The two-day in-person training offers informative presentations on relevant technical and safety topics to stay on top of trends in the utility industry

Who Should Attend?

Topics covered in this training are useful for anyone who works in the field of electric power systems, construction, and maintenance. All apprentice and journeymen lineworkers, crew leaders, foremen, groundmen, operations personnel, and related occupations with all levels of experience are encouraged to attend and network with peers.
