

Cedarburg Light & Water is a community-owned utility that has been serving the community of Cedarburg for over 119 years. We take pride in being a part of our hometown and are looking to expand on a team that is dedicated to the success of the utility and the growth of our community.

We're currently looking for either a Journeyman Line Mechanic or an experienced Line Apprentice (minimum of two years' experience) to join our utility for a full-time position.

The ideal candidate will possess the following:

- General knowledge of overhead/underground power line systems and their components
- Strong understanding and commitment to safety procedures
- Ability to perform strenuous physical labor and heavy manual tasks including climbing in all weather conditions
- High school diploma or equivalent and a valid driver's license
- Class A Commercial Driver's License or ability to obtain within 6 months of hire
- Ability to operate equipment such as backhoe, forklift and backlot machine
- Reside within a 30-minute response to the utility office within 12 months of hire date
- Willingness to work overtime and perform stand-by duty

CL&W offers competitive wages and benefits. Starting wages between \$35.38 and \$45.56 per hour depending on qualifications.

If you're an individual that possesses these qualifications and is looking to be a part of a best in class team, we'd love to hear from you!

Please visit www.cedarburglightandwater.org for a detailed job description and to download an application, which is also available at our office. Applications in a PDF format can be e-mailed to Khuse@cedarburglightandwater.org or dropped off at our office.

Cedarburg Light & Water is an equal opportunity employer. The position will be open until filled.
